

Summer Homework 1st BACH

Both tasks are **voluntary**, but you can get 1 point in September on your first Test by doing both tasks.

1st task : 0,5 points

Read the book : “ **People who changed the World** “

Author : Eleanor Sutherland

Burlington books ISBN : 978-9963-48-870-4

1 Sum up the biography of each scientist

2 Say if you agree with the author and why you think these people have changed the world

3 Choose a person (scientist ,artist ,philosopher etc) who you think has changed the world and write a personal biography of them . I don't need a copy of Wkipedia but your personal approach and how you think they have changed the world.

. The students who are willing to do this task will get 0,5 points which will be added to the mark of their first test in October.

2nd task : 0,5 points

Finish all the exercises from Workbook (**Advanced Think Ahead 4**) except module 4.
